

# Jaydeep Mithani

Frontend Developer | React, Next.js, TypeScript

Pune, India | [jaydeepmithani13@gmail.com](mailto:jaydeepmithani13@gmail.com) | +91 90547 22745

[Portfolio](#) | [GitHub](#) | [LinkedIn](#)

## PROFESSIONAL SUMMARY:

Results-driven Frontend Developer with 3 years building scalable web applications for 1M+ users. Expertise in React ecosystem, performance optimization, and cross-functional collaboration. Led development teams, architected features from concept to deployment, and consistently delivered 20-40% performance improvements. Proven ability to adapt in dynamic environments while maintaining high-quality deliverables. Seeking frontend roles in established organizations with long-term growth opportunities.

## EDUCATION:

### Bachelor of Engineering (B.E.), Computer Engineering

Gujarat Technological  
University | 2020 – 2023

### Diploma in Engineering, Computer Engineering

Gujarat Technological  
University | 2017 – 2020

## KEY ACHIEVEMENTS:

- Performance Optimization:** Reduced application load times by 20-40% through code splitting and optimization techniques
- User Impact:** Built applications serving 1M+ monthly active users with 95% client satisfaction rate
- Efficiency Gains:** Decreased proposal creation time by 35-50% through innovative rich-text editor development
- Team Leadership:** Successfully mentored 3 junior developers and led cross-functional project delivery
- International Collaboration:** Delivered 20+ features for global clients with direct stakeholder communication

## LANGUAGES:

English, French, Japanese,  
Hindi, Gujarati

## ADDITIONAL INFO:

**Career Focus:** Transitioning from dynamic startup environments to established organizations for long-term career growth and stability.

**Availability:** Immediately available for full-time positions with established companies and MNCs. Open to relocation and international opportunities with sponsorship support.

## SKILLS:

**Frontend:** React.js, Next.js, TypeScript, JavaScript, Tailwind CSS, Material UI, Bootstrap, SCSS, Redux, Context API, Responsive Design

**Backend:** Node.js, Express.js, MongoDB, GraphQL, REST APIs, Python

**Testing & Tools:** Jest, Cypress, React Testing Library, Git, Figma, Jira

**Cloud & DevOps:** Firebase (FCM), Vercel, Netlify

**CMS & Design:** Hygraph CMS, Photoshop, Illustrator, HTML5, CSS3

**Soft Skills:** Team Leadership, Client Communication, Agile/Scrum, Code Reviews, Mentoring

## EXPERIENCE:

### Frontend Developer

Xora - USA (Remote)

Mar 2025 - Jul 2025 (Early-stage startup ceased operations)

- Architected complete frontend infrastructure for a business management platform serving SMBs and enterprises.
- Engineered Kanban task board with advanced filtering and recurrence options supporting 1,000+ records.
- Implemented real-time notifications with Firebase Cloud Messaging, improving user response time by 25%.
- Achieved complete frontend ownership with direct reporting to company leadership.

**Founder Testimonial:** "Jaydeep had complete ownership of the frontend — highly recommend him for product-driven frontend roles." — Founder, Xora

### Sr. Software Engineer - Full-Stack (Contract)

Health Data max - USA (Remote)

Feb 2024 - Jan 2025 (11-month contract completed ahead of schedule)

- Built interactive PDF rendering module with HTML overlays, reducing document load time by 30%.
- Architected reusable data table component with virtual scrolling, filtering, and lazy loading capabilities.
- Led team of 3 junior developers, conducted code reviews, and maintained Agile delivery cycles.
- Collaborated directly with QA, backend teams, and participated in system architecture discussions.
- Optimized database queries and API performance, improving response times from 800ms to 200ms.

### Jr. Full-Stack Developer

Bonzark Technologies - Rajkot, India

July 2022 - Feb 2024

- Delivered 20+ responsive frontend modules for Hairhouse Australia using React, GraphQL, and Hygraph CMS.
- Optimized MongoDB queries and Express.js middleware for high-performance API development.
- Maintained direct client relationships with international stakeholders for requirement gathering and delivery.
- Achieved 95% client satisfaction score across multiple project deliverables.
